**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I subscribe to a small fiber optic ISP, but they still rely on copper. They offer better prices for better service, which helps the consumer. Please don't change the 1996 Act in any way that would harm small ISPs that still rely on copper.

Best,

Julian Waldo
